

SG110-A Zigbee Temperature & Humidity Sensor

- **Dimension: 90x50x28mm; Weight 95g**
- **Accuracy: Temperature 0.5°C; Humidity 5%**
- **Operation Environment: -10 to 55°C, 0-95% RH**
- **Battery Powered AAx2**
- **Battery Life 1 year (with specific setting of 5min reporting interval)**
- **Signal Range: 100m**
- **Wireless: 2.4Ghz ISM Band**
- **Protocol: Zigbee HA profile**
- **Receiving Sensibility: -92dBm**
- **Need to be used with SG600R2/SG6200 Gateway and LumaCloud service**
- **FCC, CE compliant**
